

## Pelido Forgotten Dreams

**Pelido Forgotten Dreams**, or 'Dreams' as he is known at home, has to date sired six Champions namely: Sandiacre Social Climber, Dravahland Dollar, siblings Samhaven Addiction JW and Samhaven Forgotten Charm, Amalie Day Dreams and Shasam Stone in Love with You. Additionally he has sired thirty more with Stud Book numbers including several Challenge Certificate, Reserve Challenge Certificate and Junior Warrant winners.

Sandra Wigglesworth was one of the first to recognise Pelido Forgotten Dreams' potential as a sire, taking her Champion Sandiacre Set'n Match to him in 1992. The resultant litter, born 10 January 1993, gave Dreams his first Champion progeny in Sandiacre Social Climber who, prior to his premature death, sired Sandiacre Social Graces (1 Challenge Certificate) and Sandiacre Spare My Blushes for the home kennel. Dreams also influenced the Glenbowdene Kennel through siblings Glenbowdene Glint of Gold (1 Challenge Certificate) and Glenbowdene Gold Desire at Glenanior.

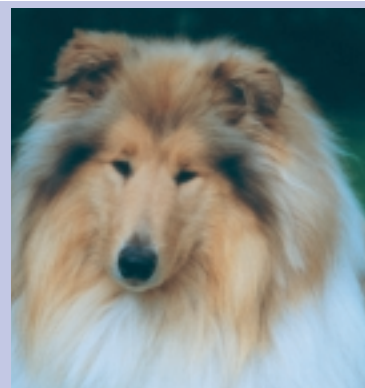

Dreams' son, Champion Samhaven Addiction JW (Elgin)<sup>1</sup>, was one of the first Rough Collies to win the new style Junior Warrant award thereby being eligible to carry the suffix 'JW'. He represented the breed well by being placed in the final twenty at the Kennel Club's inaugural 'Junior Warrant Winner of the Year' award.

Pelido Forgotten Dreams is currently exerting his influence over his many grandchildren and great grandchildren primarily through son Champion Samhaven Addiction JW, granddaughter Sandiacre Spare my Blushes and her son Champion Sandiacre Sacre Bleu,<sup>2</sup> born in 1998 and sired by Addiction. Sacre Bleu, or 'Paris' to those who know him, remained unbeaten as a puppy and gained his title in 2000. He is currently establishing himself as a successful sire with winning progeny in numerous kennels including the Drenoss, Merrimede, Lassina, Sachenda and Roughrigg Kennels, as well as others in South Africa and Europe. The mating of Champion Samhaven Addiction JW and Sandiacre Spare My Blushes was repeated in 2000, and produced successful siblings Sandiacre Shumaker and Spend Spend Spend.<sup>3</sup>

The Glenanior, Shasam and Trenley kennels, and to a lesser extent the Amalie and Dravahland kennels, are also breeding their Collies along Pelido Forgotten Dreams' lines.
